

## Environmental Policy Statement

Diggitt Plant Hire fully supports the principles of and is committed to promoting good environmental practice and sustainability in the conduct of its activities. It is Diggitt plant hire's policy to support the principal and workers while ensuring any adverse effects on the environment are kept to a minimum.

Diggitt Plant Hire therefore:

- Wholly Supports the requirements of accepted environmental standards and current codes of practice.
- Minimizes consumption through the reduction, reuse or recycling of materials as much as possible.
- Encourages efficient use of energy, utilities and natural resources, especially where these are non-renewable.
- Seeks to prevent pollution by reducing the amount of waste arising from its activities.
- As far as possible purchase products and services that do the least damage to the environment and encourage others to do the same.
- Ensure all Diggitt Plant Hire employees understand our environmental policy and conform to the highest standards required.
